Dear Mr. Dornbush,

Effective April of 2018, the National Academy of CLE has renewed their Accredited Provider status in Nevada until April of 2019. At that time, your organization can renew for another year. The National Academy of CLE has been an Accredited Provider in Nevada since 2015. As such, your programs are presumptively approved.

Thank you for the consistent high quality of programs that are presented in Nevada.

Sincerely,
